

WOULD YOU LIKE TO HELP? There are three ways :

Sponsorship:

A child can be taken care of for just 300 Swiss francs a year and it is possible to sponsor one child or more. One can either sponsor anonymously or have one's contribution directed to a single child or group of children and receive regular reports.

Donation :

Your financial assistance, however small it may be, will help provide for the future of these children..

Standing order :

A small amount given every month can do so much to help return these children to a stable life they so badly need.

Please send your contribution to the following address:

Credit Suisse, 1936 Verbier, Switzerland - Account *Sujeeva*, no. **754526-90**

Note:

if sending from Switzerland, the bank clearing number is **4744** and
if sending from abroad, the **swift** number is **CRESCHZZ19D** .
IBAN: CH9604744075452690000.

Many thanks !
